LOUISVILLE.

IUESDA1, NOV. 9, 1858.

rea good many and indeed nearly all of the we do for the balance if we don't borrow again? Democratic papers of the South have come out in strong denurciation of the doctrine put forth by Mr. strong denurciation of the doctrine put forth by Mr. Douglas in his late Free port speech that the people of a Territory can legally exclude slavery from it. A very large number of them, as seon as the Illinois Senator put forth that doctrine so obnoxious to the South, declared that they felt no interest whatever in his reselection and hado't the slightest choice between bin and any other Abolitionist.

This has provoked, and very naturally too, Mr. Bongtain peculiar friends. Not feeling themselves of this good the enormous number of 215 vore. The

This has provoked, and very naturally too, Mr. bogdan's pseudian friends. Not feeling themselves in a very leniant most toward the Buchanan Administration, they have come out and proclaimed and proved in the last Presidential canvax—the fact that Mr. Buchanse himself, in a letter during that canvase, ent only put forth the dustrine, which is now discussed in Mr. Dougdan, but put it forth in a decidedly aromet form. The doctrine is that the psople of a Territory may exclude slavery therefrom, and the filewise is an expract from a letter which Mr. Buchana to a very exclude slavery therefrom, and the filewise is an expract from a letter which Mr. Buchana there is an expract from a letter which Mr. Buch a wrote soen after his nomination at Col. Forney in his Press as thup for Cowes and a and whi h was sublished at the time:

market." The Prestatter exclaiming costatically "who can realize the sensations of the moral bern

(

In the state of the power of the people of a Territory to the provided the the state of the defined between the state of t Mr. Ibeclanan, yet here and there we see a Doug-largan placing itself in a very ackward predica-lingame, would not be heard in the next Congress! Mr Buchanan had in his latter declared distinctly bolish slavery, and they nudertaking to maintain weld and the massives to situated as to be under a set of policial execution, what we may not of policial executive of acknowledging the palaule truth that Mr. Buchatan in his letter said able true b that Mr. Buchatan in his letter anid and exactly what we said that he said and exactly what we said that he said and exactly what be very those who distributed that the Rev. Mr. Hempitead is about to publish to lit seem that Mr. Buchana's friends and volume of poetry. It will contain, among man ou le friend are alike in being very awkward- other glorious poems, the following upon "The Con

at the state of th Is seems the Little Blant is amazingly haughty in

the domands he makes of the Precident. He knows very we that Mr. Bushanan cannot now go to work and reat re all the Douglas office-holders he has proceeded in Hilmois without so humilisting, and degracing himself as to become the nation's laughing size k. The approxy little man of Hilmois might as well require more all Black as the process. Thou realest forth in say-tery and awe. To over of the grand and objects heaven. degracing himself as to become the nation's laughting as well require poor old Buck, as the price of peace, to crawl upon his belly at midday, on the first day of the reason of Congress, all the way from the White House to the topenost step of the Capitol. But we don't see why the Illinois Senstor, in presented friends only in his own State. If he is a grund, his views shouldn't be so contracted. He cought to be middly to the great of he devotes in all the States. He ought to be unadful of the greefs and grievances of he devotes in all the States. He ought not especially to turn his attention in this direction. He natit our tell the Administration, that, although men may cry peace, peace, there can be no peace until our tell the of the greefs and price the intervent of his Illinois friends, he will prove in self a gia t of ingratitude.

Care We learn from the Washington correspondence of the Philadelphia North American, that Mr. Cohli, the Secretary of the Treasury, "Is preparing tables to prove, that, if there were sufficient imports, the precedit and proved that, if there were sufficient treemed to be the prove of the Philadelphia North American, that Mr. Cohli, the Secretary of the Treasury, "Is preparing tables to prove, that, if there were sufficient treemed to carry on the Government".

The proof of this Important position by elaborate the provents and the provents of sufficient revenue to carry on the description of the provents of the Indoor of the Labors of the theory of the Labors of the this price of the Indoor of the savenity host, the planted, the received with the reason of the provents of the Indoor of the labors of the treatest of well and the provents of the Indoor of the labors of the carries of the Indoor of the labors of the labor

Thos rashed down unbidden and sloss.

Buchanan Admi: tration's master of financa. The Pila liphu paper's correspondent says that cor-The gulf of being, the ris sides reading the worthy of the Treasury Department, and Mr. Cobb would confer a great benefit upon his chief the would only put the imports up to the mark. Let him tell us, if he can, why they are dawn when the banks are overflowing with uncomployed capital Lant year he predicted to everybody that the revual soon was a raiser panic, and he believed in prophet. Si ward's wiscination, that it would disappear as suddenly an it coursed. He assured the despondent that the epring business would restore everything, and, when it failed, then he fall back upon the fall, and row, when that has collapsed, he is quite sangue about next eprings. It would be just as well for Mr. Cobb to omit the Treasury report this year entirely, or to give the country results without He lastrations, which hardly pay the printer. If he will defer his arguments until next year, the opposition will agree to relieve the Government of all the expense of publication. We don't want any better evidence to satisfy our people why they shall take I each leave of the Democracy.

The gulf of being, the indication, and the results of the mark to control the mediant projection, what is not being the country results without He lastrations, which bardly pay the printer. If he will defer his arguments until next year, the opposition will agree to relieve the Government of all the expense of publication. We don't want any better evidence to satisfy our people why they shall take I each leave of the Democracy.

Control them to look to omit the treatment of all the expense of publication. We don't want any better evidence to satisfy our people why they shall take I each leave of the Democracy.

tre evidence to naticity our people why they shall take I ench leave of the Democracy.

(If The rope which surrounded the ring of enclosure in which Morrissey and Heenan fought has been less it by a gentleman of Buffild, and cul up, and in gold, silver, or brane, and sold to all gentlemen and Ledies who desire a memento of the battle. We take the liberty of in genting to some cuterprining Democrat, who may happen to be out of business just at this time, that he can unquestionably make a very handsome speculation and probably a fortune by buying, begging, borrowing, or stealing the OI cout, jicket, has brooked, rou doods, in which Donglas for pit his late stump-lattle in Illinois, and criting them up itto ministe pieces for distribution at big prices among the Little tilant's admirers that prices among the Little tilant's admirers that the stump lattle is limited to the price among the Little tilant's admirers that the stump has the prices among the Little tilant's admirers that the stump has the prices among the Little tilant's admirers that the stump has the prices among the Little tilant's admirers that the stump has the prices among the Little tilant's admirers that the stump has the prices among the Little that the stump has the prices among the Little that the stump has the prices among the Little that the stump has the prices among the Little that the stump has the prices among the Little that the stump has the prices among the Little that the stump has the price among the Little that the price that the tree that the stump has the price among the Little that the stump has the price and the stump has the price among the Little that a flat the stump has the price and the stump has the price among the Little that the price and the stump has the stump has the price and the stump has the pr
